Dear Madam President,

Dear Mister President,

in my capacity as President of the Constitutional Court of the Czech Republic, currently chairing the Conference of the European Constitutional Courts (CECC), I have received the attached letter from Mr Valer Dorneanu, the President of the Constitutional Court of Romania.

Even though I do not have further information thereto, I wish to bring the issue to your attention. The letter contains serious assertion about the pressure and attacks, in the public arena, directed against the Constitutional Court of Romania. I expect to learn more from the delegation of the Constitutional Court of Romania in the framework of our joint meeting next week.

Yours sincerely,

Pavel Rychetský
President of the Constitutional Court of the Czech Republic
